

LeapFrog® Epic™ Academy Edition

Get your students excited about everything from problem solving to learning to read

LeapFrog Epic Academy Edition is packed with kid-appropriate on-board learning content including 20 learning games that explore a range of subjects and skills and a free trial of LeapFrog Academy. Play anywhere with LeapFrog Academy, an interactive learning program for 3-6 year olds that guides them on a variety of fun Learning Adventures. Kid-safe right out of the box, the LeapSearch™ web browser lets kids safely surf the Internet and parental controls allow educators to add Android apps as their students are ready.

Preloaded with LeapFrog Academy™ app

This interactive learning program for 3-6 year olds guides children on a variety of fun Learning Adventures they can play anywhere.

Packed with learning content

Includes \$150 worth of learning content and access to the LeapFrog Learning Library that explore a range of subjects and skills like math, science, reading, creativity, problem solving, and critical thinking.

Grows with your students

LeapFrog Epic is safe right out of the box and educators can control when to add more features such as Android™ apps as their students are ready.

Customizable home screen

Kids can get excited about a virtual world they create. Watch night fall, see the weather change, discover fun surprises, and add stickers, animations, and more.

Popular Android apps

Offers popular Android apps like Fruit Ninja Academy that are built exclusively for LeapFrog to eliminate in-app purchases so they are kid-safe as soon as they are downloaded.

LeapSearch™ kid-friendly web browser

LeapSearch™ provides access only to approved, kid-appropriate content. Educators can add sites and reduce restrictions using the parental controls as their students are ready.

Just for Me™ learning

Exclusive to LeapFrog, Just for Me learning technology personalizes select games to challenge kids as they grow.

Durable design

Built for the way kids play, with a shatter-safe LCD screen and protective bumper for everyday bumps.
