

LeapStart™

Get your students excited about everything from problem solving to learning to read.

LeapStart™ is an interactive learning system that gets kids excited about counting, learning to read, problem solving and more through fun, replayable activities. The magic behind LeapStart is a stylus that reads invisible dots on every page, triggering questions, challenges, songs, jokes, and more. With more than 400 activities across a library of 25+ books (sold separately), LeapStart helps kids build tomorrow's skills today, in new imaginative ways.

Overview

The LeapStart interactive learning system is designed to help build key skills and challenge kids to get ready for their next step in learning.

How it works

The magic behind LeapStart is a stylus that reads invisible dots on every page triggering questions, challenges, songs, jokes, and more.

Grow-with-me stylus

The grow-with-me stylus is comfortable for kids of all ages and promotes proper writing grip.

Activities galore

Features touch-and-talk games, creative challenges, problem-solving puzzles, math mazes, and more for 2-7 year olds with more than 30 activities in every book.

Multiple book levels

Progress from preschool to first grade with 25+ activity books including two Learn to Read book sets that all work on LeapStart.

Grows with you

Most replayable activities are designed with two levels so that kids can play and learn at the right level and move up when they're ready.

Teaches important skills

Each book seamlessly blends fun with skills from problem solving to learning to read that are important to a child's development for a comprehensive introduction to key concepts.

Replayable fun

Every activity across all 25+ books is designed to be played again and again for endless discovery.
